 Ain't nobody, nobody was talkin' to me like a few months ago  
 C#7m - Ab  
 And now everybody hittin' my phone up and shit

C#7m  
 I'm a mothafuckin' schema boy, I'm a dreamer boy

I love a girl that don't even fuckin' need a boy

Ab  
 Baby, I'm a beamer boy, I need a beamer, boy

I want a Z3, that's a two seater boy

C#7m  
 Okay, I pull my cash out, shawty pass out

Take her ass out, then I spaz out

Ab  
 Okay, yeah I hit that, shawty, get back

I got deathnotes, where my list at?

C#7m  
 Yeah, I'm in my zone now, I put my phone down

I'm on my own now, I'm on my own now

Ab  
 Ya girl, she wanna go down on a real one

I hit JGRXXN like "what's the deal bruh?"

C#7m  
 You see me doin' shows now, I'm a pro now

I got hoes now and I got some dough now

Ab  
 But They don't wanna hear that, they want that real shit

They want that drug talk, that "I can't feel" shit

C#7m  
 I'm never comin' home now, all alone now

Can't let my bros down, can't let my bros down

Ab  
 I feel like I'm a no one, that's what they told me

I'mma show ya, baby I was chosen
