

# LiL PEEP - Better Off [Dying]

Tom: G

Chains on shining, you can see me riding Eb  
 Cocaine lined up, secrets that I'm hidin'  
 You don't wanna find out, better off lying  
 You don't wanna cry now, better off dying

Chains on shining, you can see me riding  
 Cocaine lined up, secrets that I'm hidin'  
 You don't wanna find out, better off lying  
 You don't wanna cry now, better off dying

Baby, I'ma dive in, I don't put the time in  
 Even if I try hard, I ain't gonna make it  
 We ain't gonna make it, we ain't gonna make it  
 Baby, I'ma dive in, I don't put the time in  
 Even if I try hard, I ain't gonna make it  
 We ain't gonna make it, we ain't gonna make it  
 I ain't gonna make it  
 But, I love it when you fake, yeah  
 Got her little heart in my hand  
 And I don't wanna break it

I ain't gonna make it  
 But, I love it when you fake, yeah  
 Got her little heart in my hand  
 And I don't wanna break it

Chains on shining, you can see me riding  
 Cocaine lined up, secrets that I'm hidin'  
 You don't wanna find out, better off lying  
 You don't wanna cry now, better off dying

Chains on shining, you can see me riding  
 Cocaine lined up, secrets that I'm hidin'  
 You don't wanna find out, better off lying  
 You don't wanna cry now, better off dying

Baby, I'ma dive in, I don't put the time in  
 You don't wanna find out, better off lying  
 You don't wanna cry now, better off dying
