Em D  
I let the time pass too fast  
I crash, you crash  
You were the one, that's what I told myself  
I don't even know myself  
Got my back up against the wall  
I let the time pass too fast

I crash, you crash  
You were the one, I told myself  
I don't even know myself  
Or control my self at all  
I can't tell what I want, I can't tell what you want  
She can't tell what I'm on  
What do you want? Let me sing you a song  
I wanna hold you so close like a switchblade  
I really mean that, I know you don't believe it  
I'm shinin' so hard, I know that you can see that  
I'd give it up though, I swear I'd give it up though  
We're movin' so fast, I don't care, I wanna crash  
Let our love burn, let our love burn  
We're movin' so fast, I don't care, I wanna crash  
Let our love burn, let our love burn
