

Lil PEEP - Nuts (feat. Lil Skil)

tom:

Intro: F D

[Pre-Refrão]

D
I can see it in your eyes
That you wanna get out Gbm
I can see it in your eyes D
That you need it right now
That you need it right now D
That you wanna get out Gbm
That you need it right now D
That you need it right now D
That you wanna get out D

[Refrão]

D
Yeah, I just wanna hear the sound
Drive our Camaros out of town Gbm
Baby, we could leave right now D (woah)
Yeah, I just wanna feel alive Gbm
Baby, take your time D

Smoking on this loud (woah) D

[Primeira Parte]

D A
Girl, you know you make my cold heart
Warm with a touch Gbm
One kiss, then we fucking, I just can't get enough D
Put it on me, that's the best part A
Baby, the trust Trust me Gbm
I got nothing for you other than love D
I remember eating pussy on the back of the bus Gbm
I remember getting nookie till the Sun came up D
All the places that you took me
No one came with us Gbm
D

Same hoes overlook me, now they on my nuts
