Abm Gbm E
 Baby how you doing? I know you not doing the best but I'm here, I'll always be here
 Abm Gbm E
 Tell me if you need me and call me if you feelin alone 'cause I'm here, I'm always right here
 Abm Gbm E
 Tell me that I'm dumb, I love to get numb I know that I'm young but I'm still right here
 Abm Gbm E
 I don't give a fuck, I love who I love and girl you're that one so I'll wait right here
 Abm Gbm E

 Baby I'm leaving, I'm not taking anything but you
 Abm Gbm E
 Picture us escaping, in the background of the photo
 Abm Gbm E
 I see you, I remember the time I remember hearts sewn together with twine
 Abm Gbm E
 Just remember that I am still right here
 E Abm

 And if you doubt me that's just fine, and when it comes clear
 E Abm Gbm
 I will be waiting right here, just tell me if you need me
 E
 And I will meet you right there
