# LiL PEEP - Star Shopping

```
Tom: D
Intro: E|-------------------------------------------------- 'Cause we only have one conversation a week
----------|                                                                  Bm
B|-------------------------------------------------------- That's why your friends always hating on me
---|                                                                      A
G|-------------------------------------------------------- Fuck 'em though, I did this all by myself
---|                                                       Matter of fact, I ain't never ask no one for help
D|----4----4----4----4----4----4----4----4----4----4----4---------- G
---|                                                       And that's why I don't pick up my phone when it rings
A|-------------------------2----2----2----2----2---------- Bm
---|                                                       None of my exes is over, Lil Peep
E|--3----3----3----3----3---------------------------------- A
---|                                                       Nobody flexing as much as I be
                                                          That's why she text me and tell me she love me
E|-------------------------------------------------------- G
---|                                                       She know that someday I'll be over the sea
B|-------------------------------------------------------- Bm
---|                                                       Making my money and smoking my weed
G|-------------------------------------------------------- A
---|                                                       I think it's funny, she open up to me, get comfortable with me
D|----4----4----4----4----4----4----4----4-------4----4---------- Once I got it coming, I love her, she love me
---|                                                                                                          G
A|--0----0----0----0----0----0----0----0----0--5----5----5--------- I know that I'm nothing like someone the family want me to be
---|                                                                                                  Bm
E|-------------------------------------------------------- If I find a way, will you walk it with me?
---|                                                                                                  A
                                                          Look at my face while you talking to me
G                Bm                              A                                                      G
Wait right here, I'll be back in the morning              'Cause we only have one conversation a week
G                                                                                                    Bm
I know that I'm not that important to you but to me girl, Can I get one conversation at least?
you're so much more than gorgeous                                                                    A
                        Bm                                Shout out to everyone making my beats, you helping me preach
So much more than perfect                                 G
                          A                               This music is the only thing keeping the peace when I'm
Right now I know that I'm not really worth it             falling to pieces
If you give me time I can work on it                                Bm                                                  A
                          G                               Look at the sky tonight, all of the stars have a reason
Give me some time while I work on it                                                                                      G
                                    Bm                    A reason to shine, a reason like mine and I'm falling to
Losing your patience and girl, I don't blame you          pieces
                                                                    Bm                                          A
The Earth's in rotation, you're waiting for me            Look at the sky tonight, all of the stars have a reason
Look at my face, while I fuck on your waist
```
