

# Lil PEEP - The Way I See Things

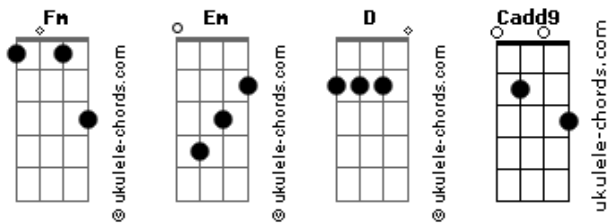

tom:

Fm (forma dos acordes no tom de Em )

Capostrate na 1ª casa  
Intro: Em D Cadd9

Em D Cadd9  
I got a feeling that I'm not gonna be here for next year  
Em D Cadd9  
So let's laugh a little before I'm gone  
Em D Cadd9  
I've been dreaming of this shit for a while now  
Cadd9  
Got me high now  
Em D Cadd9  
She don't love me but she's singing my songs  
Cadd9  
Oh, no  
Em D  
I don't feel much pain  
Cadd9  
Got a knife in my back and a bullet in my brain  
Em D  
I'm clinically insane  
Cadd9  
Walking home alone I see faces in the rain  
  
Em D  
Where did all the time go?  
Cadd9  
Spend it getting high while I hide from the 5-0  
Em D  
Where did all the lines blow?  
Cadd9

## Acordes

Now I'm so high I be fucking with my eyes closed

Em D  
She don't fuck with me no more  
Cadd9  
I'm on her mind though  
Em D  
Come and fuck me in the morning  
Cadd9  
With the blinds closed  
Em D  
I can show you everything I learned  
Cadd9  
While you were away from me  
Em D  
Running away from me  
Cadd9  
But I'm not giving up on you

Em D  
It's just the way I be  
Cadd9  
It's just the way I see things  
Em D  
Take her away from me  
Cadd9  
But I'm not giving up on you, no  
Em D  
It's just the way I be  
Cadd9  
It's just the way I see things

[Final] Em D Cadd9
