[Primeira Parte]

In high school I was a loner
I was reject, I was a poser
Multiple personalities, I'm bipolar
I swear I mean well, I'm still going to hell
Witchcraft, Love chants
Whisper in my ear, put me in a trance
Cocaine all night long, when I die bury me with all my ice on
Witchcraft, Love chants
Whisper in my ear, put me in a trance
Cocaine all night long, when I die bury me with al my ice on

[Ponte]

When I die bury me with al my ice on
When I die bury me without the lights on
Lights off, Nightlights
Clothes off, baby I got good white

When I die bury me with al my ice on
When I die bury me without the lights on
Lights off, Nightlights
Clothes off, baby I got good white

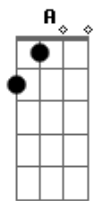

[Segunda Parte]

Clothes off, baby I got good white
Tell me a secret, and I'll tell one of mines
I just wanna talk, I don't wanna fight
Ask me if I'm alright
Do you want me to lie?
