Tava na pracinha de boa como as novinha
 Logo peguei minha caxinha e dei uma tocadinha
 As novinha começaram a dançar, A DANÇAR
 As novinha começaram a dançar, A DANÇAR

No meio da mutidão a galera começa a dançar
 A dançar, a dançar
 Passou da meia noite pediram pra baixar
 O volume do paredão, eu falei, bora pra outro bar
 "Bora, bora, bora pra outro bar
 Bora, bora, bora relaxar"
