

# Lil Wayne - Scared Of The Dark

Tom: G

I'm not scared of the dark  
 I'm not running, running, running  
 No, I'm not afraid of the fall  
 I'm not scared, not at all  
 Why would a star, a star ever be afraid of the dark?  
 I'm not scared  
 I'm not scared, even from the start  
 I'm not scared of the dark  
 Of the dark, mmm

Tunechi

I ain't never scared and I ain't never horrified  
 I just look down at my Rolex, it said it's the darkest times  
 I ain't never terrified, I ain't never petrified  
 You know I see dead people, I just tell 'em, "Get a life"  
 I ain't never scurred, I'm not sure if that's a word, but  
 I mean every word, feelin' like, "Do not disturb, " wait  
 Let me testify, I have never testified  
 And I'm married to my pride, I ain't never, never cried  
 I got eyes like marbles, if I cry they sparkle  
 You know I can read your mind like I'm the author  
 There's a line for tomorrow and that line's gettin' shorter  
 I'm behind the trigger, what if I am the target?  
 Deep sigh, a say?nara, I ain't afraid to die  
 It's either goodbye or good mornin', and the skies start to fallin'  
 And I'ma shine in the darkness  
 I look back down at my Rollie, it says, "Time for the chorus"  
 You know  
 I'm not scared of the dark (I ain't never scared, I ain't never scared)  
 I'm not running, running, running  
 No, I'm not afraid of the fall (Yeah, yeah, yeah, yeah)

I'm not scared, not at all (I ain't never scared, I ain't never scared)  
 Why would a star, a star ever be afraid of the dark? (Yeah, yeah, yeah, yeah)  
 I'm not scared (Yeah, yeah, yeah, yeah)  
 I'm not scared, even from the start (Yeah, yeah, yeah, yeah)  
 I'm not scared of the dark (I ain't never scared, I ain't never scared)  
 Of the dark (I ain't never scared, I ain't never scared)  
 Yeah, yeah, yeah, yeah

Okay, put my heart to the side  
 In my feelings, hoe, let's ride  
 Big MAC to the side

If she call, I'm gon' slide  
 "That my baby, " boy, you crazy

She might get a new Mercedes  
 She say she want me, oo-wee

Okay, lil' shawty, let's do this, uh-huh

If only you count the tears I've cried  
 A million times, I swear I've died  
 I'm trying, but it's still not right  
 The only time I want her is night

I'm not scared of the dark (I ain't never scared, I ain't never scared)  
 I'm not running, running, running  
 No, I'm not afraid of the fall (Yeah, yeah, yeah, yeah)  
 I'm not scared, not at all (I ain't never scared, I ain't never scared)  
 Why would a star, a star ever be afraid of the dark? (Yeah, yeah, yeah, yeah)  
 I'm not scared (Yeah, yeah, yeah, yeah)  
 I'm not scared, even from the start (Yeah, yeah, yeah, yeah)  
 I'm not scared of the dark (I ain't never scared, I ain't never scared)  
 Of the dark (I ain't never scared)  
 Yeah, yeah, yeah, yeah
