

# Lil Xan - Betrayed

Tom: **Gb**

**Gb**  
Huh? Ayy  
(You are now listening to a Bobby Johnson beat)  
**Bbm** **Ab**  
What? Yeah, ayy, ayy

**Gb**  
Pop the trunk, I open up, I sold my soul for a good price  
**Bbm**  
Outta sight, and my hoe got talent, right?  
**Ab**  
Whole squad ran through that shit, yikes  
**Gb**  
Ayy, I'm a business man, I did my business, damn  
**Bbm**  
But I'ma bend it down and I'ma lick her up, then dick her down  
**Ab**  
She gon' turn around then I'm gon' kick her out

She gon' talk that shit but say  
**Gb**  
How you make it up? How you fake a love?

Holy son, I was the chosen one  
**Bbm**  
I'm sippin' out the grail, she gon' kiss and tell  
**Ab**  
She keep my wishes well (but) I don't need her, well  
**Gb**  
How my enemy a friend of me?

**Bbm**  
Why y'all feed off my energy? Like I ain't dead yet  
**Ab**  
Higher entity, foreign bitch that think she into me  
**Gb**  
Whip the foreign very viciously

Why these dudes wanna take pics with me?  
**Bbm** **Ab**  
She said she gay but still into me, said she gay but still into me  
**Gb**  
Said that she hates that I'm in the streets

And said that I hate that I'm in the streets  
**Bbm**  
I wanna blow up or make history  
**Ab**  
And she said that she hate my Insta feed

**Gb**  
Xans don't make you

Xans gon' take you  
**Bbm**  
Xans gon' fake you  
**Ab**  
And Xans gon' betray you  
**Gb**  
Xans don't make you

Xans gon' take you  
**Bbm**  
Xans gon' fake you  
**Ab**  
Xans gon' betray you

**Gb**  
And her pussy tastes like skittles, what?  
**Bbm** **Ab**  
Yeah, ayy, and you can really taste the rainbow, what? (hah, no)

**Gb**  
Yo' bitch just like a crayola (what, ayy)  
**Bbm** **Ab**  
You can draw her on the table, flip her like some yola  
**Gb**  
Heart shaped kisses, I really miss my mistress  
**Bbm** **Ab**  
666, evil bitches want my mentions  
**Gb**  
Heart shaped kisses, I really miss my mistress  
**Bbm** **Ab**  
And it's 666, evil bitches want my mentions

Xans gon' betray you  
**Gb**  
Xans gon' take you  
**Ab**  
Xans gon' take you  
**Bbm** **Gb** **Gb**  
What, ayy, what, ayy  
**Ab** **Bbm** **Gb**  
Xans gon'â?, xans gon' take you  
**Gb**  
Yeah, Xans gon'â?  
**Ab** **Bbm**  
Xans' gon take you  
**Gb** **Gb**  
Xans' gon take you
