

Lilspirit - Ugly

G tom:

You look so ugly when you l^{Bm}yin' to me
 I don't feel nothin' when you cryin' to me
 And if you left, you know how fine I would be
 I got ten bitches, and they dyin' for me
 You look so ugly when you l^{Bm}yin' to me
 I don't feel nothin' when you cryin' to me
 And if you left, you know how fine I would be
 I got ten bitches, and they dyin' for me
 So much time been wasted, tried on different faces
 Love for you is fadin', and I'm tryna get you out the way
 I know you chasin' a feelin' I erased from you
 L^{Bm}yin' to my face, I just had to do the race
 I told you, I love you, I'm switchin' around
 I gave you a chance and you let me down
 You drop me, but you could've set me down
 I needed a breath, and you let me drown
 So many different places
 I've been doin' things that I ain't proud of, leavin' traces
 You look so ugly when you l^{Bm}yin' to me
 I don't feel nothin' when you cryin' to me
 And if you left, you know how fine I would be

I got ten bitches, and they dyin' for me
 You look so ugly when you l^{Bm}yin' to me
 I don't feel nothin' when you cryin' to me
 And if you left, you know how fine I would be
 I got ten bitches, and they dyin' for me
 So much time been wasted, tried on different faces
 Love for you is fadin', and I'm tryna get you out the way
 I know you chasin' a feelin' I erased from you
