

Lily Allen - Friend Of Mine

Tom: Ab

Fm Bbm

Em

I don't want us to have a fight But in the background I can hear you chatting shite

I hear it every night

And you think you're being really cool And you've been doing it Since we were both at school

Now who looks like a fool

You're no friend of mine, girl And I've known it for a while, girl You're just a waste of time, girl Why don't you have another line, girl?

Tell me what did you expect Have you got no self respect? Reputation to protect? Soon you'll be a nervous wreck Tell me what did you expect Have you got no self respect? Reputation to protect? Soon you'll be a nervous wreck

What happened to the good old days?

Acordes

I was kinda hoping this was all a stupid phase Who are you anyway? [Friend Of Mine lyrics on http://www.metrolyrics.com]

I know you've heard this all before I know some people who are calling you a whore Don't know you anymore

You're no friend of mine, girl And I've known it for a while, girl You're just a waste of time, girl Why don't you have another line, girl?

Tell me what did you expect Have you got no self respect? Reputation to protect? Soon you'll be a nervous wreck Tell me what did you expect Have you got no self respect? Reputation to protect? Soon you'll be a nervous wreck

Tell me what did you expect Have you got no self respect? Reputation to protect? Soon you'll be a nervous wreck Tell me what did you expect Have you got no self respect? Reputation to protect? Soon you'll be a nervous wreck
