

# Lily Allen - I Could Say

Tom: D

(Intro): D Bm Em G

(Verso 1)

D I could say that I'll always be here for you,

Em But that would be a lie and quite a pointless thing to do.

D And I could say that I'll always have feelings for you,

Em But I've got a life ahead of me, I'm only 22.

(Chorus)

G Since you've gone I've lost that chip on my shoulder,

G Since you've gone I feel like I've gotten older,

G And now you're gone it's as if the whole wide world is my stage,

G And now you're gone it's like I've been let out of my cage.

(Instrumental)

(Verso 2)

D You always made it clear that you hated my friends,

Em You made me feel so guilty when I was running round with them.

D

And everything was always about being cool,

A But now I've come to realise there's nothing cool about you at all.

(Chorus)

G Since you've gone I've lost that chip on my shoulder,

G Since you've gone I feel like I've gotten older,

G And now you're gone it's as if the whole wide world is my stage,

G And now you're gone it's like I've been let out of my cage.

(Instrumental)

(Chorus)

G Since you've gone I've lost that chip on my shoulder,

G Since you've gone I feel like I've gotten older,

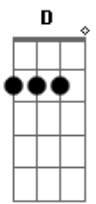

G And now you're gone it's as if the whole wide world is my stage,

G And now you're gone it's like I've been let out of my cage.

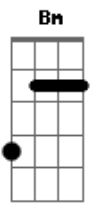

(Outro)

D Bm Em G D
