(G D)
Riding through the city on my bike all day
Cause the filth took away my license
It doesn't get me down and I feel ok
Cause the sights that I'm seeing are priceless
Everything seems to look as it should
But I wonder what goes on behind doors
A fella looking dapper, but he's sitting with a slapper
Then I see it's a pimp and his crack whore

G D Em C
You might laugh, you might frown
G D Em C
Walking round London town

G D
Sun is in the sky oh why oh why?
Em D
Would I wanna be anywhere else

(G D)
When you look with your eyes
Everything seems nice
But if you look twice
You can see it's all lies

(G D)
There was a little old lady, who was walking down the

road
She was struggling with bags from Tesco
There were people from the city having lunch in the park
I believe that it's called al fresco
When a kid came along to offer a hand
But before she had time to accept it
Hits her over the head, doesn't care if she's dead
Cause he's got all her jewellery and wallet
