

Lily Allen - Who'd Have Known

Tom: F

(verse 1) (0:00)

It's five o'clock in the morning
 Conversation got boring
 You said you were going to bed soon
 So i snuck off to your bedroom
 And i thought i'd just wait there
 Until i heard you come up the stairs
 And i pretended i was sleepin
 Gm7sus4
 And i was hoping you would creep in... with me

(verse 2) (0:23)

You put your arm around my shoulder
 And it was if the room got colder
 And we moved closer in together
 We started talkin bout the weather
 You said tomorrow would be fun
 And we could watch "a place in the sun"
 Gm7sus4
 I didn't know where this was going... when you kissed me

(chorus) (0:46)

Are you mine? are you mine?
 Cause i stay here all the time
 Watching telly, drinking wine
 Who'd have known? who'd have known?
 When you flash up on my phone
 I no longer feel alone
 No longer feel alone...

(verse 3)(1:15)

I haven't left you for days now
 And i'm becoming amazed how
 You're quite affectionate in public
 In fact your friend said it made her feel sick
 And even though it's moving forward
 There's just the right amount of awkward
 Gm7sus4

And today you accidentally... called me baby

(chorus) (1:39)

Are you mine? are you mine?
 Cause i stay here all the time
 Watching telly, drinking wine
 Who'd have known? who'd have known?
 When you flash up on my phone
 I no longer feel alone

(bridge) (2:01)

Let's just stay, let's just stay
 I wanna lie in bed all day
 We'll be laughing all the way
 Told your friends, they all know
 We exist but we're taking it slow
 Let's just see how it goes
 Let's see how it goes

(break)(2:29)

(F Am Gm7 Bb)
 (F Am Gm7sus4 Bb)

(chorus) (2:52)

Are you mine? are you mine?
 Cause i stay here all the time
 Watching telly, drinking wine
 Who'd have known? who'd have known?
 When you flash up on my phone
 I no longer feel alone

(bridge) (3:15)

Let's just stay, let's just stay
 I wanna lie in bed all day
 We'll be laughing all the way
 Told your friends, they all know
 We exist but we're taking it slow
 Let's just see how it goes
 Let's see how it goes
