

LilyPichu - Last Cup Of Coffee

tom:
Bb

Someday we'll have our last conversation
And drink our last cup of coffee

Someday we might be 80
And think about the different things
We used to say

All the memories
Of you will just become a ghost
Of a smile

Caught in the wind
Someday
It'll be the last day

(Bb D Gm Fm7)
(Bb Eb Ebm F)

One day
It could be over
The Moon
Could seem so far away

Despite
All the adventures that we
Promised we'd go on
Again and again

Acordes

All the memories of you and all
All the stories we were a part of
Lost in the wind

Someday
It'll be the last day

(Bb D Gm Fm7)
(Bb Eb Ebm F)

I won't forget how it feels to be loved
To be remembered by someone
As special as you

Someday
I will
Drink that last cup of coffee
With a smile

[Solo] Bb D Gm Fm7
Bb Eb Ebm F
Bb D Gm Fm7
Bb Eb Dm
Gm Cm B F

I won't forget how it feels to be loved
To be remembered by someone
As special as you

Someday
I will
Drink that last cup of coffee
With a smile
