

# Limão Com Mel - Foi a Primeira Vez

tom:

Intro: C G F Fm A  
C D D G G

Foi a primeira vez, a mais forte talvez  
Que alguém fez meu coração bater descompassado assim  
Foi um tiro no olhar, tanta pressa de amar  
E uma febre tão louca, queimava na boca  
Tive que me entregar

Foi a primeira vez, quem sabe nunca mais  
Pois ninguém soube arrancar de mim  
A falta que você me faz

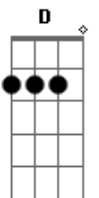

Fiquei tão preso nesse amor  
Que não consigo me soltar  
Quem vai secar meus olhos  
Que estão cansados de chorar o mar  
Amor assim é tão ruim só vem pra machucar  
É uma paixão que o coração não quer deixar voar  
Amor assim não dá pra mim  
É muita solidão  
Eu preciso de alguém que não fuja  
do meu coração
