

Lime Cordiale - Robbery

tom: Db

[Primeira Parte]

Another weekend, a new story
 I found a diamond in the darkest mine
 We started speaking, small talking
 Tip toe over the borderline

[Pré-Refrão]

She left her lipstick on my cheek
 I turn around, she vanished in a blink
 She home to me, and I can barely sleep
 I'm lookin' for, wait that's her, stop that girl

[Refrão]

Hey! There's been a robbery
 She stole my heart and then took off on me
 I said hey, there's been a robbery
 She stole my heart, she had enough of me

Everywhere I go, everywhere I go
 I put up wanted signs
 I said hey, there's been a robbery
 I guess I'll never
 I'll never know

Who you are, Who you are
 Who you are, Who you are

[Segunda Parte]

I've got a fever, a cold sweating
 It's hard to make it through the day to day
 Empty handed, right where you left me
 A ciggie's filling up the ash tray

[Pré-Refrão]

Still got her lipstick on my cheek
 I turn around, she vanished in a blink
 She home to me
 And I can barely sleep

I'm lookin' for
 Wait that's her, stop that girl!

[Refrão]

Hey! There's been a robbery

 I said hey, there's been a robbery
 She stole my heart, she had enough of me

Everywhere I go, everywhere I go
 I put up wanted signs
 I said hey, there's been a robbery
 I guess I'll never, yeah I'll never know
