

Limp Bizkit - Behind Blue Eyes

```
My love is vengeance
                                                                             A2
                 tom:
                                                                       That's never free
Intro: Em G D2
C A
                                                                           Em G D
                                                                      Discover L.I.M.P
No one knows what it's like
                                                                      Say it
                                                                              C A2
  D2
                                                                      Discover L.I.M.P
To be the bad man
                                                                      Say it Em G D
To be the sad man
Behind blue eyes
                                                                      Discover L.I.M.P
                                                                      Say it

C A2
And no one knows what it's like D2
To be hated
                                                                      Discover L.I.M.P
To be fated
                                                                      Discover
To telling only lies
                                                                      No one knows what its like \stackrel{\circ}{\text{D}}
But my dreams, they aren't as empty
C
D
E
                                                                      To be mistreated
                                                                       To be defeated
As my conscience seems to be
                                                                        A2
I have hours, only lonely \frac{\mathsf{D}}{\mathsf{D}}
                                                                      Behind blue eyes
My love is vengeance A2
                                                                      No one knows how to say
That's never free
                                                                      That they're sorry
                                                                        C
No one knows what it's like
                                                                      And don't worry
To feel these feelings
                                                                      I am not telling lies
C
Like I do
                                                                      But my dreams, they aren't as empty C D E
A2
And I blame you
                                                                      As my conscience seems to be Bm C
No one bites back as hard
                                                                       I have hours, only lonely
                                                                      My love is vengeance
On their anger
None of my pain an' woes
                                                                      That's never free
 A2
Can show through
                                                                      No one knows what it's like ${\color{red} {\rm D}}$
But my dreams, they aren't as empty
