A lot of people think that this album sucks. And I agree on some of the songs, but I still think that a lot of the songs really sounds great. And this is one of them. I decided to tab it myself, because I thought some of the other tabs I found didn't really sound like the real thing. So here's what I found out.

Tuning low to high, drop **D** 1 1/2 steps down: **B Gb B E Ab Db**

First the drums kick in.
Intro: /verse: (x12)

Chorus: (stick 'em stick 'em etc.)

Verse: (x8)

Chorus: (stick 'em stick 'em etc.)

Bridge part 1: (x8)

time

Last

Brigde part 2: (Fight, fight, fight etc.) (x8)

Brigde part 3a: (I ain't playing around etc.) (x2)

Brigde part 3b: (x2)

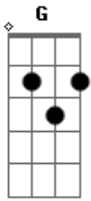

Chorus: (stick 'em stick 'em etc.)

That's it. It is not that hard once you get the picture, hope you'll enjoy. if there's any problems, or if you have any corrections, email me!

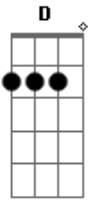

Make yourself ready to die, then you'll be ready to live!

Peace!
