Tom: E

E G
Get up!

E G
Are you ready?

(E)
Do you know where you are?
Welcome to the jungle, punk, take a look around
It's limp bizkit fuckin' up your town
We downloaded the shockwave
For all the ladies in the cave to get your groove on
And maybe i'm the one who flew over
The cuckoo's nest, well guess who's next? (who?)
Generation x
Generation strange
Sun don't even shine through our window paine

E
So go ahead and talk shit
Talk shit about me
Go ahead and talk shit

E G
'Cause we don't, don't give a fuck, and
E G
We won't ever give a fuck
E G
Until you
E G
You give a fuck about me
E
And my generation

(E)
Hey kid, take my advice
You don't want to step into a big pile of shit
Captain's drunk, your world is titanic
Floating on the funk
So get your groove on
And maybe I am just a little fucked up
Life's just a little fucked up
Generation x
Generation strange
Sun don't even shine through our window pane

So go ahead and talk shit

Talk shit about me
Go ahead and talk shit

E G
'Cause we don't, don't give a fuck, and
E G
We won't ever give a fuck
E G
Until you
E G
You give a fuck about me
E G
And my generation

(E)
Who gets the blame?
You get the blame
And I... get the blame
Who gets the blame?
You get the blame
And I... get the blame
But do you think we can fly?
Do you think we can fly?
Do you... think we can fly?
Well I do
