Lin-Manuel Miranda - Waiting On a Miracle

```
                              tom:
                    Gbm
Intro: Gbm

Em           D       A
Don't be upset or mad at all
E               D       A
Don't feel regret or sad at all
            E                   D       A
Hey, I'm still part of the family Madrigal
          E          D       A
And I'm fine, I'm totally fine
          E            D             Db
I will stand on the side as you shine
         Db7
I'm not fine, I'm not fine
D         E         D
I can't move the mountains
D         E         D
I can't make the flowers bloom
D              E                        Gbm
I can't take another night up in my room
E              A
Waiting on a miracle
D                     E
I can't heal what's broken
Gbm                 E
Can't control the morning rain or a hurricane
D                        E                 Gbm
Can't keep down the unspoken invisible pain
         E                          A
Always waiting on a miracle, a miracle
Gbm     B
Always walking alone
Gbm     B
Always wanting for more
A                          E                 A
Like I'm still at that door longing to shine
      Dbm
Like all of you shine
Gbm               B
All I need is a change
Gbm               B
All I need is a chance
A                 E                    B
All I know is I can't stay on the side
            Db               Db7
Open your eyes, open your eyes, open your eyes
E                 Gb
I would move the mountains
E                   Gb
Make new trees and flowers grow
E                     Gb                        Abm
Someone please just let me know where do I go
      Gb            B           E
I am waiting on a miracle, a miracle
E                     Gb
I would heal what's broken
E                   Gb
Show this family something new
E           Gb                    Abm
Who I am inside, so what can I do?
                Gb            B           E
I'm sick of waiting on a miracle, so here I go

I am ready
Gb
Come on, I'm ready
E                    Gb
I'm impatient to stand fast and steady
E                      Gb                              Abm
Bless me now as you blessed us all those years ago
Gb        B          Em
When you gave us a miracle
Abm       Gb         B
Am I too late for a miracle?
```
