

# Lina Linassi - Relax

tom:

Gm (forma dos acordes no tom de Am )

Afinação: D G C F A D

Intro: Am Am F E

Am

All mistakes have a cost

A huge lost, beautiful love

Broken down

Never though it would cause

Such harm and pain

Now it's clear how fool I am

Make it better make it right

No more lies as a way to pretend

Stare at me look into my eyes

We'll relax again hand in hand

'Till the end

Once for all make it right

Be the changes to hold you tight

Stare at me look into my eyes

We'll relax again hand in hand

'Till the end

Am

All things are settled now

Darkness gave place to the light

Delightfully she came

Putting life back on the rails

All pain was washed away

A blissful life is now to stay

[Solo] Am Ab F E Am Ab F F

Bb

A lost soul  
Deep in a hole

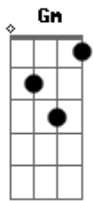

Put on a hold  
To find its way

To start again  
To understand

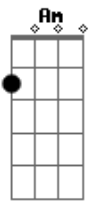

And take control

And now to stay
