

# Linda Ronstadt - Long, Long Time

tom:

A

Love will abide. Take things in stride  
 Sounds like good advice, but there's no one at my side  
 And time washes clean love's wounds unseen  
 That's what someone told me, but I don't know what it means

Cause I've done everything I know to try and make you mine  
 And I think I'm gonna love you for a long, long time

Caught in my fears, blinking back the tears  
 I can't say you hurt me when you never let me near  
 And I never drew one response from you  
 All the while you fell over girls you never knew
