

# Lindsay Lohan - Confessions Of a Broken Heart

Tom: C

I wait for the postman  
 To bring me a letter  
 And I wait for the good Lord  
 To make me feel better  
 And I carry the weight of the world on my shoulders  
 Family in crisis that only grows older

Why'd you have to go?  
 Why'd you have to go?  
 Why'd you have to go?

I am broken, but I am hoping  
 I am broken, but I am hoping  
 I am broken, but I am hoping  
 I am broken, but I am hoping

I am crying, a part of me's dying

and these are  
 These are the confessions  
 Of a broken heart

And I wear all your old clothes  
 Your polo sweater  
 I dream of another you  
 One who would never, never  
 Leave me alone

To pick up the pieces  
 mom to hold me  
 That's what I needed  
 So why'd you have to go?

Why'd you have to go?  
 Why'd you have to go?

Daughter to father  
 Daughter to father

I don't know you, but I still want to  
 Daughter to father  
 Daughter to father

Tell me the truth

Did you ever love me?  
 'Cuz these are, these are  
 the confessions

Of a broken heart  
 Of a broken heart

I love you  
 I love you  
 I love you  
 I, I love you

Daughter to father  
 Daughter to father

I don't know you, but I still want to  
 Daughter to father  
 Daughter to father

Tell me the truth  
 Did you ever love me?  
 Did you ever love me?

These are  
 The confessions

Of a broken heart  
 Oh yeah

And I wait for the postman  
 To bring me a letter
