

Lindsey Buckingham - Countdown

Tom: A

I'm waiting on the countdown
 Sitting in the shade
 Things about to turn around
 How the madness fades

Oh, I've been waiting on the countdown
 Things about to turn around
 And now I'm out of the lost and found
 Just waiting on the countdown

Right through your fingers
 Time slips away
 Oh, this feeling lingers

Right here I'm going to stay

Oh, I've been waiting on the countdown
 Things about to turn around
 And now I'm out of the lost and found
 Just waiting on the countdown

So I'm sitting in the shade
 Under the dreaming tree
 Now the madness fades
 Right here I'm going to be

Oh, I've been waiting on the countdown
 Things about to turn around
 And now I'm out of the lost and found
 Just waiting on the countdown
