Counting the **Dbm** days, waited all year **Gbm**
 Sit back and celebrate when **A** Christmastime is near **A** **E**

Once, too soon, I bought your gift in **Dbm** May **Gbm**
 Can't believe you're here on my favorite holiday **A** **A** **E**

Gbm There's been times before you wish for so much more **Ebdim**
 When I was down and filled with doubt, I had you **E** **Abm** **E**

And we made it through the **A** year, it's so good to be here **Gbm** **Gbm** **B**
 So we put it in a song, dance the way we want, turn the fire **E** **A** **B**
 on

Baby, we can happen up together, give to one another **E** **A**
 Snuggle through the weather **B**
 Baby, Christmas, c'mon **E**
 Baby, Christmas, c'mon **B** **E**

Put the star on the tree **Dbm** **Gbm**
 Let the record spin while dancing next to me **A** **A** **E**

Keep me warm from the snow **Dbm** **Gbm**
 Under the mistletoe, we'll watch the fire glow **A** **A** **E**
