

Lindsey Stirling - Love Goes On And On

tom: G

Am C

There's an old familiar silence

G D

When I'm lost inside my heart

Am C

I can't hear the voice inside me

G D

So I look up to the stars

(Am C G D)

Am C

There is darkness ever waiting

G D

I can feel it in the air

Am C

So I call upon my angels

G D

Are you still there?

Am C G D

When the wind bends the branch to softly touch me

Am C G D

When the band plays your song

Am C G D

I feel strong enough to keep dreaming

Am C

Even when I'm all alone

G D

Our love goes on and on

(Am C G D)
