

Lindsey Stirling - Love Goes On And On

tom:
 G
 There's an old familiar silence
 Am D
 When I'm lost inside my heart
 Am C
 I can't hear the voice inside me
 G D
 So I look up to the stars
 (Am C G D)
 Am C
 There is darkness ever waiting
 G D

I can feel it in the air
 Am C
 So I call upon my angels
 G D
 Are you still there?
 Am C G D
 When the wind bends the branch to softly touch me
 Am C G D
 When the band plays your song
 Am C G D
 I feel strong enough to keep dreaming
 Am C
 Even when I'm all alone
 G D
 Our love goes on and on
 (Am C G D)
