

Lindy Conant - Driven By Love

Tom: Ab

To know You and to make You known
 This is the anthem of our souls
 Send us out, we will go
 Anywhere You lead us Lord

Driven by love
 Till all have heard
 We'll carry Your name
 To the ends of the earth
 We'll carry Your love
 Shine with Your light
 Till the whole world knows You
 And lifts You high

Our eyes we set on Jesus
 As we obey the great commission
 As the Father sent His only Son

Jesus You are sending us

Driven by love
 Till all have heard
 We'll carry Your name
 To the ends of the earth
 We'll carry Your love
 Shine with Your light
 Till the whole world knows You
 And lifts You high

To a broken world around us
 Let us be Your heart oh God
 To the unreached and forgotten
 Let us be Your healing arms
 There's a task You've laid before us
 Your voice we can't ignore
 You said go into the nations
 As Your final words
