

# Linea Aspera - Malarone

tom:

Cm

Intro: Gm Cm Ab Eb G  
Gm Cm Ab Eb G

Gm Cm Ab Eb G  
He's a protozoan, he's just a filthy protozoan  
Gm Cm Ab Eb G  
He's a protozoan, he's just a filthy protozoan

Eb  
The roads are dry and dusty  
Cm  
The roads are dry and dusty  
Eb Cm  
And we're taking in the scenery  
Eb  
Waving to the people in the fields  
Cm

This is life to me  
Eb  
As far as the eye can see  
Cm  
And you are dead, you are dead, you are dead to me

Gm Cm Ab  
I was twisted up in Cwezi shrines, and you were the anomaly  
Eb G  
A conceited disease  
Gm Cm  
Time spent in foreign lands is a cure  
Ab Eb G  
It seems, and it triggered a change in me

Eb Cm  
This is an unfamiliar strain, I have no immunity  
Eb Cm  
Ravenous and unrelenting, pathogenic and parasitic  
Eb  
This is unclean and it has to be treated  
Cm Eb  
Parasite in the bloodstream: this is unclean, this is unclean  
Cm  
And he's feeding, he's been feeding on everything

Gm Cm Ab  
I was twisted up in Cwezi shrines, and you were the anomaly  
Eb G  
A conceited disease  
Gm Cm

Time spent in foreign lands is a cure  
Ab Ab Eb G  
It seems, and it triggered a change in me  
( Cm )

Cm Ab Eb Gm  
He's a protozoan, he's just a filthy protozoan  
Cm Ab Cm G Eb Eb  
Parasite in the bloodstream, this is unclean, this is unclean

Gm Cm Ab  
I was twisted up in Cwezi shrines, and you were the anomaly  
Eb G  
A conceited disease  
Gm Cm  
Time spent in foreign lands is a cure  
Ab Eb G  
It seems, and it triggered a change in me

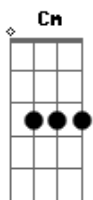

Eb  
The roads were dry and dusty  
Cm  
The roads were dry and dusty  
Eb Cm  
We were taking in the scenery  
Eb  
Waving to the people in the fields  
Cm  
This is life to me  
Eb  
As far as the eye can see  
Cm  
And you were dead, you were dead, you were dead to me

Gm Cm Ab  
I was twisted up in Cwezi shrines, and you were the anomaly  
Eb G  
A conceited disease  
Gm Cm  
Time spent in foreign lands is a cure  
Ab Eb G  
It seems, and it triggered a change in me

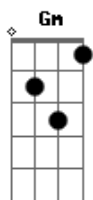

Gm Cm Ab Eb G  
... He's just a filthy protozoan  
Gm Cm Ab Eb G  
... He's just a filthy protozoan

[Final] Cm
