

# Linkin Park - A Line The Sand

Tom: F

Dm C  
Today, we stood on the wall  
Bb C  
We laughed at the sun, we laughed at the guns  
Dm C  
We laughed at it all  
Dm C  
And when they, they told us to go  
Bb C  
We paid them no mind, like every other time  
Dm  
But little did we know  
( Dm C Bb A ) 2x

Dm C  
Today, I look for a sign  
Bb C  
With flames in my hands  
C  
A line in the sand  
Dm  
Between yours and mine  
Dm C  
And it came, like fire from below  
Bb C  
Your greed led the call  
C  
My flag had to fall  
Dm  
But little did you know  
Dm C  
Another day, your truth will come  
Bb C  
You're gonna pay for what you  
A  
Pay for what you've done  
Dm  
You'll get what's yours  
C  
And face your fraud  
Bb A  
You're gonna give me back what's mine  
Dm  
Give me back what's mine!

Dm  
I ain't never been a coward  
C  
I aint never seen blood  
Bb  
You had sold me an ocean  
A  
And I was lost in the flood  
Dm  
We were counting on a leader  
C  
We were driven by need  
Bb  
Couldn't take temptation  
A  
And we were blinded by greed  
Dm  
You were steady as a sniper  
C  
We were waiting on a wire  
Bb

So we never saw it coming  
A  
When you ran from the fire  
Dm  
You can try intimidation  
C  
Or you can try to ignore  
Bb  
But when the time comes calling  
A  
Yeah! You are gonna get yours!  
Dm C  
Another day, your truth will come  
Bb  
You're gonna pay for what you  
A  
Pay for what you've done  
Dm  
You'll get what's yours  
C  
And face your fraud  
Bb A  
You're gonna give me back what's mine  
Dm  
Give me back what's mine!

2x Dm C Bb A (actually there's a solo, but I don't know what to play instead so I thought to repeat the chorus once)

Dm C  
And so today, your truth has come  
Bb  
You're gonna pay for what you  
A  
Pay for what you've done  
Dm  
You'll get what's yours  
C  
You're out of time  
Bb A  
And you will give me back what's mine  
Dm C Bb  
Give me back what's mine!  
A Dm C Bb  
Give me, give me back what's mine!  
A Dm C  
Give me, give me back what's mine!  
Bb A Dm  
What's mine, give me, give me back what's mine!  
C  
What's mine!  
Bb  
What's mine!  
A Dm  
Give me back what's mine!

C  
Today, we stood on the wall  
Bb C  
We laughed at the sun, we laughed at the guns  
Dm  
We laughed at it all  
Dm C  
And when they, they told us to go  
Bb C  
We paid them no mind, like every other time  
Dm  
But little did we know
