

# Linkin Park - A Line The Sand

Tom: F

Dm C  
Today, we stood on the wall  
We laughed at the sun, we laughed at the guns  
We laughed at it all  
And when they, they told us to go  
We paid them no mind, like every other time  
But little did we know  
( Dm C Bb A ) 2x

Dm C  
Today, I look for a sign  
With flames in my hands  
A line in the sand  
Between yours and mine  
And it came, like fire from below  
Your greed led the call  
My flag had to fall  
But little did you know  
Another day, your truth will come  
You're gonna pay for what you  
Pay for what you've done  
You'll get what's yours  
And face your fraud  
You're gonna give me back what's mine  
Give me back what's mine!

Dm C  
I ain't never been a coward  
I aint never seen blood  
You had sold me an ocean  
And I was lost in the flood  
We were counting on a leader  
We were driven by need  
Couldn't take temptation  
And we were blinded by greed  
You were steady as a sniper  
We were waiting on a wire

A  
So we never saw it coming  
When you ran from the fire  
You can try intimidation  
Or you can try to ignore  
But when the time comes calling  
Yeah! You are gonna get yours!  
Another day, your truth will come  
You're gonna pay for what you  
Pay for what you've done  
You'll get what's yours  
And face your fraud  
You're gonna give me back what's mine  
Give me back what's mine!

2x Dm C Bb A (actually there's a solo, but I don't know what to play instead so I thought to repeat the chorus once)

Dm C  
And so today, your truth has come  
You're gonna pay for what you  
Pay for what you've done  
You'll get what's yours  
You're out of time  
And you will give me back what's mine  
Give me back what's mine!  
Give me, give me back what's mine!  
Give me, give me back what's mine!  
What's mine, give me, give me back what's mine!  
What's mine!  
What's mine!  
Give me back what's mine!

C  
Today, we stood on the wall  
We laughed at the sun, we laughed at the guns  
We laughed at it all  
And when they, they told us to go  
We paid them no mind, like every other time  
But little did we know
