

# Linkin Park - Bubbles

Tom: G

one, two, three, four

bubbles, bubbles

I wish my name was bubbles

I wish my friends were bubbles, bubbles

I ride my car on bubbles, bubbles

I go real far on bubbles

on bubbles

bubbles, bubbles

I blow a lot of bubbles, bubbles

I show a lot of bubbles, bubbles

I ride a plain on bubbles, bubbles

I go insane on bubbles

on bubbles

'cause it's a B, and an U, and a B, and a B, and a L, and an E, and a S

It's B, and an U, and a B, and a B, and an L, and an E, and an S

on bubbles

on bubbles

I wish my name was bubble bubbles

I was my friends were bubbles and bubbles

I ride my car on bubbles on bubbles

I go real far on bubbles on bubbles.

## Acordes
