tom:

Dm

Afinação Drop D: D A D G B E

[Refrão]

Let me out, set me free
 I know all the secrets you keep
 I, I won't be
 I won't be your casualty

[Primeira Parte]

I got too complacent
 Bleached in the eyes
 Put through the paces but I
 Got left behind

[Pré-Refrão]

But I'm not running
 'Cause something's coming
 It's only a matter of time
 [Refrão]

F Ab
 Let me out, set me free
 Dm
 I know all the secrets you keep
 F Ab
 I, I won't be
 Dm

[Segunda Parte]

You drew the first blood
 Like playing God

Acordes

Closing the doors up while I'm

Fed to the dogs

It's only a matter of time

It's only a matter of time
 Riff Principal
 Stop telling me you're

Something that you're not

I can see the greed right in your eyes

Hanging on a barefaced lie

It's only a matter of time
