Primeira Parte:

There's something inside me  
That pulls beneath the surface  
Consuming, confusing  
This lack of self control  
I fear is never ending  
Controlling, I can't seem

Segunda Parte:

(Riff 2 - 8x)

To find myself again  
My walls are closing in  
Without a sense of confidence  
And I'm convinced  
That there's just too much pressure to take  
I've felt this way before, so insecure
