[Primeira Parte]

You're too ignorant to fail
I can't look you in the eye
And I can't even tell
If you've been telling me a lie
Every time you start
It's like the 4th day of July
Reckless like you're making rockets
Just to blow up in the sky

(Riff)
Feeling like it's chemical
All under my skin, like it's medical
Stuck on repetitions
That are only hypothetical
Acting like the truth
And your opinion are identical
And I can't seem to let it go

[Pré-Refrão]

Everything was perfect
Always made me nervous
Knowing you would burn it
Just to watch it burn

[Refrão]

Cut the bridge we're on
(Cut it down, cut it down)
Down, cut it, cut it down)
Going 'til it's gone
(Cut it down, cut it down)
Down, cut it, cut it down)
Sabotage it all just to watch it fall
Cut the bridge we're on
(Cut it down, cut it down)
Down, cut it, cut it down)
[Segunda Parte]

I'm too gullible to win
Didn't have a way to choose
Grew up thinking trying
Meant you never really lose
Didn't put the powder
In the keg and when it blew
I was sitting in the dynamite
For you to light the fuse
(Riff)
Ooh, looking like a criminal
Sneaking in the dark, you're invisible
Hidden, you're wrapped around my
Neck just like a tentacle
Acting like the truth
And your opinion are identical
And I can't seem to let it go

[Pré-Refrão]

Everything was perfect
Always made me nervous
Knowing you would burn it
Just to watch it burn

[Refrão]

Cut the bridge we're on
 (Cut it down, cut it down)
 Down, cut it, cut it down)
 Going 'til it's gone
 (Cut it down, cut it down)
 Down, cut it, cut it down)
 Sabotage it all just to watch it fall
 Cut the bridge we're on
 (Cut it down, cut it down)
 Down, cut it, cut it down)

[Tab - Ponte]

Parte 1 de 2

Something in my head feels broken
 I'm the gas from a burner left open
 I'm the tightrope
 Held up by a clothes pin
 Holding out
 But the pressure keeps growing
 Wanna go to the light and not the shadow
 But the branch isn't shiny as the arrow
 You don't ever find a way around a battle
 You will always choose
