[Primeira Parte]

You're too ignorant to fail
 I can't look you in the eye
 And I can't even tell
 If you've been telling me a lie
 Every time you start
 It's like the 4th day of July
 Reckless like you're making rockets
 Just to blow up in the sky

Feeling like it's chemical
 All under my skin, like it's medical
 Stuck on repetitions
 That are only hypothetical
 Acting like the truth
 And your opinion are identical
 And I can't seem to let it go

[Pré-Refrão]

Everything was perfect
 Always made me nervous
 Knowing you would burn it
 Just to watch it burn

[Refrão]

Cut the bridge we're on
 (Cut it down, cut it down
 Down, cut it, cut it down)
 Going 'til it's gone
 (Cut it down, cut it down
 Down, cut it, cut it down)
 Sabotage it all just to watch it fall
 Cut the bridge we're on
 (Cut it down, cut it down
 Down, cut it, cut it down)

[Segunda Parte]

I'm too gullible to win

Didn't have a way to choose
 Grew up thinking trying
 Meant you never really lose
 Didn't put the powder
 In the keg and when it blew
 I was sitting in the dynamite
 For you to light the fuse
 Ooh, looking like a criminal
 Sneaking in the dark, you're invisible
 Hidden, you're wrapped around my
 Neck just like a tentacle
 Acting like the truth
 And your opinion are identical
 And I can't seem to let it go

[Pré-Refrão]

Everything was perfect
 Always made me nervous
 Knowing you would burn it
 Just to watch it burn

[Refrão]

Cut the bridge we're on
 (Cut it down, cut it down
 Down, cut it, cut it down)
 Going 'til it's gone
 (Cut it down, cut it down
 Down, cut it, cut it down)
 Sabotage it all just to watch it fall
 Cut the bridge we're on
 (Cut it down, cut it down
 Down, cut it, cut it down)

[Ponte]

Something in my head feels broken
 I'm the gas from a burner left open
 I'm the tightrope
 Held up by a clothes pin
 Holding out
 But the pressure keeps growing

G

Bb

Wanna go to the light and not the shadow
 But the branch isn't shiny as the arrow
 You don't ever find a way around a battle
 You will always choose
 Just to watch it burn
 Just to watch it burn

[Refrão Final]

Cut the bridge we're on
 Down, cut it, cut it down)
 Going 'til it's gone

(Cut it down, cut it down
 Down, cut it, cut it down)
 Sabotage it all just to watch it fall
 Cut the bridge we're on
 (Cut it down, cut it down
 Down, cut it, cut it down)
 [Final]
 (G Bb)
 Cut it down, cut it down
 Down, cut it, cut it down
