

Linkin Park - Faint Live

Tom: **C**

Bridge!

This has been done by ear so any of it is wrong please let me know at

Intro: again

Tuning is Drop **D**

Chorus

if your stuck with the symbles there at the bottom of the page =]

Then the extended bit is like this:

anyway enjoy =**D**

the bridge again but slightly slower!!

Intro:

then the solo is like this (listen too it too get it right)

chorus

verse 1, this can be the intro or this:

Solo carried on!!!!

Chorus!

part after solo

Verse 2
(Again either intro or this)

Chorus!

= bend
~ = let the chord ring
/ = slide up
\ = slide down

Acordes
