Intro: Bm D Bm D

Tearing me apart with the words you wouldn't say
 And suddenly tomorrow's a moment washed away
 'Cause I don't have a reason, and you don't have the time
 But we both keep on waiting for something we won't find

The light on the horizon was brighter yesterday
 With shadows floating over the scars begin to fade
 We said it was forever but then it slipped away
 Standing at the end of the final masquerade
 The final masquerade

All I ever wanted, the secrets that you keep
 All you ever wanted, the truth I couldn't speak
 'Cause I can't see forgiveness, and you can't see the crime
 But we both keep on waiting for what we left behind

The light on the horizon was brighter yesterday
 With shadows floating over the scars begin to fade
 We said it was forever but then it slipped away
 Standing at the end of the final masquerade
 The final masquerade, the final masquerade
 Standing at the end of the final masquerade
 Solo 2x:

The light on the horizon was brighter yesterday
 With shadows floating over the scars begin to fade
 We said it was forever but then it slipped away
 Standing at the end of the final masquerade
 Ooo ooo
 Standing at the end of the final masquerade
 Ooo ooo
 Standing at the end of the final masquerade
 The final masquerade
