Intro: Bm D Bm D

Tearing me apart with the words you wouldn't say  
 And suddenly tomorrow's a moment washed away  
 'Cause I don't have a reason, and you don't have the time  
 But we both keep on waiting for something we won't find

The light on the horizon was brighter yesterday  
 With shadows floating over the scars begin to fade  
 We said it was forever but then it slipped away  
 Standing at the end of the final masquerade  
 The final masquerade

All I ever wanted, the secrets that you keep  
 All you ever wanted, the truth I couldn't speak  
 'Cause I can't see forgiveness, and you can't see the crime  
 But we both keep on waiting for what we left behind

The light on the horizon was brighter yesterday  
 With shadows floating over the scars begin to fade  
 We said it was forever but then it slipped away  
 Standing at the end of the final masquerade  
 The final masquerade, the final masquerade  
 Standing at the end of the final masquerade  
 Solo 2x:

The light on the horizon was brighter yesterday  
 With shadows floating over the scars begin to fade  
 We said it was forever but then it slipped away  
 Standing at the end of the final masquerade
