

Linkin Park - Heavy Is The Crown

tom:
Intro: Bm Gbm A E
Bm Gbm A E

[Primeira Parte]

It's pourin' in, you're laid on the floor again

One knock at the door and then

We both know how the story ends

You can't win if your white flag's out when the war begins

Aimin' so high, but swingin' so low

Tryin' to catch fire, but feelin' so cold

Hold it inside and hope it won't show

I'm sayin' it's not, but inside I know

[Pré-Refrão]

Today's gonna be the day you notice

'Cause I'm tired of explainin' what the joke is

[Refrão]

This is what you asked for, heavy is the crown

Fire in the sunrise, ashes rainin' down

Try to hold it in, but it keeps bleedin' out

This is what you asked for, heavy is the

Heavy is the crown

[Segunda Parte]

Turn to run, now look what it's become

Outnumbered ten to one

Back then, should've bit your tongue

Heavy is the crown

'Cause there's no turnin' back this path once it's begun
You're already on that list

Say you don't want what you can't resist

Wavin' that sword, but the pen won't miss

Watch it all fallin' apart like this

[Refrão]

This is what you asked for, heavy is the crown

Fire in the sunrise, ashes rainin' down

Try to hold it in, but it keeps bleedin' out
