

Linkin Park - Hole

Tom: A

I would have sailed away
 If I'd known that nothing would change
 staring out my window sill
 In my wasted prison cell

D E
 And I know what you want
 D E
 And I know what you fear
 D E
 As I cradle your loving
 D E
 And watch you disappear

Refrão -----
 D A F
 And I feel your heartbeat
 D A F
 Pounding in my head
 D A F
 I like to control you
 D A F
 Cause I can't control myself

D
 Rain,
 A F
 Come my way
 D
 Mold my head
 A F
 Like a ball of clay
 D A F
 Softly wither into my grave
 D A F
 Never to see, the sun again

(Refrão)

D A E
 All alone in a crowd by myself
 D A E
 So sorry, wish I could find a way
 D A E
 Back into your hole again
 D A E
 But I've become your enemy

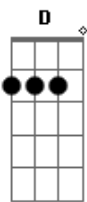

(Refrão)
