

# Linkin Park - Hole

Tom: A

I would have sailed away  
 If I'd known that nothing would change  
 staring out my window sill  
 In my wasted prison cell

D E  
 And I know what you want  
 D E  
 And I know what you fear  
 D E  
 As I cradle your loving  
 D E  
 And watch you disappear

Refrão -----  
 D A F  
 And I feel your heartbeat  
 D A F  
 Pounding in my head  
 D A F  
 I like to control you  
 D A F  
 Cause I can't control myself

D  
 Rain,  
 A F  
 Come my way  
 D  
 Mold my head  
 A F  
 Like a ball of clay  
 D A F  
 Softly wither into my grave  
 D A F  
 Never to see, the sun again

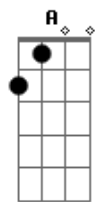

(Refrão)

D A E  
 All alone in a crowd by myself  
 D A E  
 So sorry, wish I could find a way  
 D A E  
 Back into your hole again  
 D A E  
 But I've become your enemy

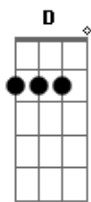

(Refrão)
