

Linkin Park - No Roads Left

```
Tom: C
   (Riff Am ):
  ? ??? ??? ???
Intro: (Riff Am ) (x4)
(Riff Am )
Standing alone with no direction
How did I fall so far behind
Why am I searching for perfection
Knowing it's something I won't find
                  (Riff Am )
In my fear and flaws
I let myself down again
     G
All because
I run, till the silence splits me open
  Am G
                           СВ
I run, till it puts me underground
Till I have no breath (Riff Am )
And no roads left but one
(Riff Am ) (x3)
(Riff Am )
When did I lose my sense of purpose
Can I regain what's lost inside
Why do I feel like I deserve this
Why does my pain look like my pride
