```
Tom: G
Intro: Em7 C G (G )
         Em7              C        G   (G )
Should I've stayed, where the signs I ignored?
    Em7           C       G   (G )
Can I help you, not to hurt, anymore?
       Em7          C        G   (G )
We saw brilliance when the world was asleep
          Em7              C          D
There are things that we can have, but can't keep
        D
If they say
     D                 Em7
Who cares if one more light goes out?
     C                G
In a sky of a million stars

It flickers, flickers
    (G )              Em7
Who cares when someone's time runs out?
      C                G
If a moment is all we are

We're quicker, quicker
   (G )             Em7
Who cares if one more light goes out?
     Am G (G )
Well I do

        Em7            C          G  (G )
The reminder, for the fall from your fear
    Em7          C            G   (G )
Indication, one more trip that you need oh
               Em7           C         G
And you're angry, and you should be, it's not fair
    (G )           Em7          G          D
Just cause you can't see it doesn't mean it isn't there
