

Linkin Park - P5hng Me A*Wy

```
Tom: G
when i look into your eyes
       G
there's nothing there to see
               C
nothing but my own mistake
staring back at me
       C
Em
              G D
i've lied to you
Em
this is the last smile
that i'll fake for the sake of being with you
(everything falls apart, even the people who never frown,
eventually break down, everything has to end, you'll soon find, we're outta time,
left to watch it all unwind)
 for the sake of being with you
(everything falls apart, even the people who never frown,
eventually break down)
               G
the sacrifice is never knowing
why i stayed with you just push away
         E C
no matter what you see
you're still so blind to me
         C
i've tried like you
to do everything you wanted to
Em C
this is the last time
i'll take the blame for the sake of being with you
(everything falls apart, even the people who never frown,
eventually break down)
the sacrifice of hiding in a lie
```

   Fm
the sacrifice is never knowing
why i stayed with you just push away
no matter what you see
               G
you're still so blind to me
reverse psychology's
failing miserably
it's so hard to be
left all alone
telling you is thee
only chance for me
there's nothing left but
to turn and face you
when i look into your eyes
       G
there's nothing there to see
Fm
nothing but my own mistake
staring back at me
        C D
asking why....
the sacrifice of hiding in a lie
               G D
   Fm
the sacrifice is never knowing
                         G
why i stayed with you just push away
```

no matter what you see

you're still so blind to me
