

# Linkin Park - Powerless

Tom: **G**

Intro: **Em D Bm A G Em**

**Em** **D Bm A** **G Em**  
 You hid your skeletons when I had shown you mine  
**Em** **D Bm A** **G Em**  
 You woke the devil that I thought you'd left behind  
**Em** **D Bm A** **G Em**  
 I saw the evidence, the crimson soaking through  
**Em** **D Bm A** **G Em**  
 Ten thousand promises, ten thousand ways to lose

**G** **D**  
 And you held it all  
**Em** **C**  
 But you were careless to let it fall  
**G** **D**  
 You held it all  
**Bm**  
 And I was by your side  
 Powerless

**Em** **D Bm A** **G Em**  
 I watched you fall apart and chased you to the end  
**Em** **D Bm A** **G Em**  
 I left with emptyness that words cannot defend  
**Em** **D Bm A** **G Em**  
 You'll never know what I became because of you  
**Em** **D Bm A** **G Em**
