Tom: G

Intro: Em D Bm A G Em

Em D Bm A G Em
 You hid your skeletons when I had shown you mine
 Em D Bm A G Em
 You woke the devil that I thought you'd left behind
 Em D Bm A G Em
 I saw the evidence, the crimson soaking through
 Em D Bm A G Em
 Ten thousand promises, ten thousand ways to lose

G D
 And you held it all
 Em C
 But you were careless to let it fall
 G D
 You held it all
 Bm
 And I was by your side
 Powerless

Em D Bm A G Em
 I watched you fall apart and chased you to the end
 Em D Bm A G Em
 I left with emptyness that words cannot defend
 Em D Bm A G Em
 You'll never know what I became because of you
